Taiwan's Big New Park

There is a new big park in Taiwan! It's in a very big old building in Kaohsiung! Yes, it is indoors! And it is the size of two soccer fields. Wow!
高雄一棟老建築裡，一座室內遊樂園最近開幕了，占地有兩個足球場那麼大！

The park has many fun things to do! You can climb on all kinds of walls. You can climb high on a very big rope net! You can run and roll on big gray blocks. You can jump on a big white cloud. You can ride your bike on a track with big bumps and curves!
這裡好玩的東西可多了！你可以爬牆攀岩，在障礙方塊上跑，在雲朵彈跳床上跳，還可以在不平整的坡道騎腳踏車！

The park has train cars too. Why? A long time ago, trains were fixed in this building. People said it was a train hospital! You can learn all about it at the park.
園區裡有火車廂，因為很久以前，火車都在這裡維修，園區裡也有這段歷史的介紹。

The building is open to the outdoors. That makes the air in the park nice and fresh. And when Kaohsiung is hot, you can have fun cooling down here. The park sprays mist! Whoooo! You can also cool down in the water play area!
園區是半開放式，讓空氣保持清新。大熱天的時候可以來這裡乘涼，或到親水區玩耍。

The park is for people of all ages. And moms and dads with baby strollers and people in wheelchairs can move easily here. And this park is free!
園區不限年齡，也完全免費！推娃娃車的爸媽和坐輪椅的人都能到處移動。

So come and take a look... and play!
